BULK PACK : 6 DOWNLIGHT WITH BLACK BAFFLE TRIM

CNT7 632-8405 FOR NEW CONSTRUCTION

- 6" IC Housing
- 7" White Open Trim W/Black Baffle
- Hanger Bars Included
- Bulb Types : PAR30, R30/75W BR30/65W
- UPC: 0 45734 90205 3

CNT8 632-8413 FOR REMODELING

- 6" IC Housing
- 7" White Open Trim W/Black Baffle
- Bulb Types : PAR30, R30/75W R30/65W
- UPC: 0 45734 90206 0

LAMP SELECTION

A-LAMP

The standard light bulbs that can be used effectively in reflector and lensed trims for wide beam general lighting.

R-LAMP

These lamps are used with open baffle or eyeball for wall wash and accent lighting. It provides more concentrated light beam.

PAR-LAMP

Designed for stronger white light beam and wider coverage. Best for use with open baffle and eyeball trim.
