

Extreme Temperatures Demand

ALL-WEATHER CORDS

Cords that deliver maximum performance in all weather conditions.

- Superior Flexibility at Sub-Freezing Temperatures – Resists stiffening or cracking under the most extreme weather conditions.
- Locking Connector prevents unwanted cord disconnects.
- Power Indicator Light lets you see when the power is On.
- Oil Resistant – Jacket will not deteriorate when used where oil or petroleum products may be present.
- Flame retardant – Protects against accidental cord fire.
- Water Resistant – Will not absorb water that can corrode copper conductors or cause dangerous electrical shock.
- 30% lighter weight than standard rubber cords.
